NAME: Peruvian Drumstix.
MEMBERS: Guitar....Andrew Shelley

DEFINITION OF OWN MUSIC: Acid rock (without the rock). At this point, the group wish it to be known that they are NOT a drugs band.
WHY PERUVIAN DRUMSTIX? Why not?

BEST GIG: Hammersmith Odeon, Bolton Gaiety. Again the group would like to point out that they are NOT, repeat NOT a drugs band.
PREVIOUS BASSISTS: Gladly, Jerry Floyd, Murray Graham Nick Jackson, Andy Shelley, Dave Murphy, George, Mike Priestley, Frankie, Mike Priestley (again) all in one year and are still looking for another. Any offers to join a new wave/R'n'B group - ring Andy on Bolton 47340. And they don't take drugs (well, not much anyway).
NO. OF GIGS PLAYED: 32½ (8 really).
HOBBIES: ANDY: Smashing cars. PAUL: Drumkits. MIKE PRIESTLEY'S INSIDE LEG: 5'7" (Eh?)
Due to him standing next to a very tall member of Mean Street, Andy Shelley wishes it to be known that he thinks Mean Street Music is brilliant. By the way, they don't take drugs.
AMBITIONS: To be musical. ANDY: To drive without hitting things, to make Mike as small as possible. PAUL: to kick in the wing of a yellow car. MIKE: to be as tall as Mean Street.
By the way, Peruvian Drumstix repeat that they are not a dru.... Oh all right, they ARE a drugs band.
