

So that's it; a final word from Ted: "Well I'd just like to thank everyone who's come to our gigs in the past, Steve and Carlton and Nik and Burn for doing lights, the Autoze for lending us gear when ours blew up, Jez for driving us around Lancashire and finally Ian Bain from Poizon who has roadied, engineered, advised, encouraged and been to the chemist for us on countless occasions."

The Origins Of Mean Street

THANKS TO TED TWIGG FOR THE FAMILY TREE

Studio work with Phil Kershaw, Paul Clavell, Ian Bain
 ↳ Mad Racket ↳ International
 ↳ Gone to London ↳ new band
 ↳ Standon (next week)!
