

GREETINGS! March is here, Spring is in the air, etc, etc, and issue six has arrived. As you may have seen, we have now increased the gig guide to three pages so you've got no excuse not to go to any. My thanks to all people who have contributed either directly or indirectly, and thanks are especially due to Dawn Crook for screening the photos (thus saving me lots of money!). The next issue won't be until July (ie after 'A' Levels), and amongst other things, there will be another local music poll, features on Soundlab Studios and The Wizards Of Zind.
